Leadership Growth Royalty

Ayuzing Health Care allocates a total of 10% of qualifying Power Matching Income as Leadership Growth Royalty, distributed across five Unilevel levels at 2% per level.

The royalty is calculated on the eligible Power Matching Income earned by each qualifying downline member. Each eligible upline member receives the applicable royalty according to their Unilevel relationship with that downline member, subject to the company's eligibility, activity, income-calculation, and payout rules.

Level-wise Distribution:

- Level 1: 2% of qualifying Power Matching Income
- Level 2: 2% of qualifying Power Matching Income
- Level 3: 2% of qualifying Power Matching Income
- Level 4: 2% of qualifying Power Matching Income
- Level 5: 2% of qualifying Power Matching Income

Total Leadership Growth Royalty: 10%

Calculation Rule: For each eligible downline member, the qualifying Power Matching Income earned by that member forms the royalty base. Each eligible upline member within Levels 1–5 receives 2% of that base for their respective level. The same qualifying income base is used for each eligible level, and the royalty is calculated according to the applicable Unilevel sponsor relationship. All payments are subject to company rules, eligibility requirements, applicable laws, and the published payout policy.
